## Articles and Textbooks:

- Ovid Gateway
  **(Individual Access - User IDs and Passwords required) or**
- **Group Access IP Validated)**
  Access to medical, EBM, and psychology databases and over 200 fulltext journals. Databases include CINAHL, APC Journal Club, Cochrane Database of Systematic Reviews, HealthSTAR, Medline, and PsychINFO.
- Pubmed
  PubMed, a service of the National Library of Medicine, includes over 15 million citations for biomedical articles back to the 1950's. These citations are from MEDLINE and additional life science journals. PubMed includes links to many sites providing full text articles and other related resources.
- Findarticles
  LookSmart's FindArticles — search and read 5.5 million articles from over 900 publications.
- LocatorPlus
  LocatorPlus — search and book, journal and audiovisual title in the NLM collection.
- MedlinePlus
  MedlinePlus — has extensive information from the National Institutes of Health and other trusted sources on over 650 diseases and conditions. There are also lists of hospitals and physicians, a medical encyclopedia and a medical dictionary, health information in Spanish, extensive information on prescription and nonprescription drugs, health information from the media, and links to thousands of clinical trials. MedlinePlus is updated daily.
- MD Consult Requires password (see Librarian). Full text clinical content from 39+ medical textbooks, 48 journals, practice guidelines, drug information, patient education, & CME.

## Registration for GLWACH's CE Programs:

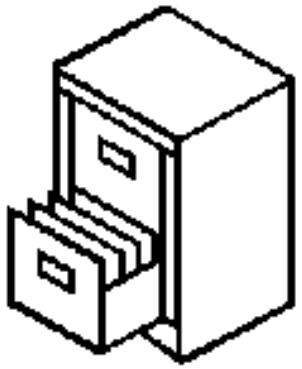
Calendar of Programs

Class Material

- **Registration in person at the Medical Library:**

  Just inside the door of Medical Library, behind the circulation desk, is a two drawer filing cabinet with registration materials and certificate of completion cards. You may help yourself to both registration material and completion cards.

  - **Certificate of Completion Cards are in cabinet's top drawer.**
  - **Registration material is in the bottom drawer.**



- **Online registrations are also being developed and will become available soon :** These will be sent to SFC Arnold Hill, ext 6-9612.
